Llangollen Online 2021

As the world continues to battle through the Coronavirus pandemic, this year's Llangollen Eisteddfod will be held largely online. Llangollen Online 2021 will offer a reimagining of the annual event that captures the magic of the international Eisteddfod in a digital format. The digital event will feature videos of world premiere performances, many filmed in the town itself. The main programme will be presented free of charge this weekend 9th - 11th July

With funding support from Welsh Government, this year's Eisteddfod will celebrate the broadest possible range of genres from classical, choral, hip hop, dance and world music, as well as Luke Jerram's Bridges, Not Walls artwork to connect with existing and new audiences in preparation for our physical return in 2022.

Join us from tomorrow across our social media channels and on our [website](#) for a three day programme exploring peace, creativity and togetherness.
