

Buckley Town Council

Saturday 27th November 2021

With ever changing rules and Welsh Government guidelines due to the COVID pandemic, Santa is determined to visit Buckley and meet families in our Town!

This year our town will be illuminated with Christmas lights and families will be allowed to queue to meet Santa in their cars thus ensuring they are protected in their “bubble”.

There will be a few surprises along the way and who knows it might even snow!

For the shoppers on the day there will be a selection of rides for children on the short stay car park.

The times to see Santa at the drive through are 5pm to 8 pm.

Watch this space for more updates, we look forward to seeing you there , stay safe everyone!.
