Subject: Retail, Hospitality and Leisure Business Rate Relief Changes

Good afternoon,

Please find detail below on the changes to business rate relief from Welsh Government coming into force from April 2022. Please share with your business network within your community/town.

Welsh Government will provide eligible retail, leisure and hospitality businesses in Wales with a 50% non-domestic rates relief reduction for the duration of 2022-23, capped at £110,000 per business across Wales.

This is in addition to the existing Small Business Rates Relief schemes.

To apply for retail, leisure and hospitality relief, please follow this link: <https://www.flintshire.gov.uk/en/Business/Business-Rates/Business-Rates.aspx>

Please note that businesses will need to apply as it will not be automatically given.

Kind regards

Siân Birch
